Dear Parent/Guardian:

Welcome to Bering Strait Schools. In order to enroll your child in our school system, you will need to complete the attached enrollment packet and provide the following required documentation.

- **Updated Immunization Records**
- **Birth Certificate**

*Alaska Immunization Regulations 4 AAC 06.055 and 7 AAC 57.550* require that all children in Alaska public/private schools, certified preschools, and licensed child care facilities be immunized, unless he/she is exempt due to medical contraindications, disease history, or religious reasons. During a vaccine-preventable disease outbreak in a school or child care facility, an exempted child may be excluded from school or child care until he/she is determined to no longer be at risk of developing the disease.

Incomplete enrollment packets will hinder the enrollment process and your child may be excluded from school until we receive all of the necessary documents to complete his/her file.

If you have any questions, feel free to call me at the number below. Thanks for your cooperation and we look forward to a great school-year.

Sincerely,

Amber Cunningham

MEDICAL PERMISSION FORM

Student Name ____________________________ Community ________________
Birth Date ______________________________

Alaska law requires school districts to ensure medical compliance and the
maintenance of specific records on each student enrolled in school. To do this in
an orderly and expeditious manner our desire is to use available medical
personnel for routine services, and if needed, emergency medical service. If an
emergency arises every effort will be made to contact you as soon as possible
before anything is done. It is also necessary for the school district to obtain, for
student records, relevant medical information, such as immunization records,
hearing and vision test results from health care providers.

Routine services may include physical examinations, vision screening, hearing
screening, TB skin tests, health screenings, inoculations, etc., and does not
include dental work or non-emergency medical services that may require your
attention. Records to be obtained may include general health, vision and hearing
screenings, immunization records, and physical examinations. All data collected
is confidential and will be used for legal obligations pertaining to records of the
named student.

For the student listed above, your signature will authorize official school district
personnel to receive related medical records and, if needed, the opportunity to
obtain emergency medical service when you cannot be contacted. It will also
authorize release of hearing and vision screening results to Norton Sound and
allow them to share their results with the school district.

Thank you.

Bering Strait School District Internet and Electronic Mail Student Agreement

Dear Parent or Guardian,

We are pleased to be able to offer students in the Bering Strait School District access to the District computer network for electronic mail and Internet access. To obtain an electronic mail account and Internet access, all students must obtain parental permission and must sign and return this form to the school office.

Access to e-mail and the Internet will enable students to explore thousands of libraries, databases, and bulletin boards while exchanging messages with Internet users throughout the world. Students will also be able to view the work of other students across the world and participate in cooperative projects, while providing the possible opportunity to post their own work or projects for others to see.

District Internet and E-Mail Rights and Responsibilities

Internet access and e-mail usage is a privilege not a right, therefore students are ultimately responsible for proper behavior on school computer networks just as they are in a classroom or a school hallway. Communications on the network are often public in nature. General school and district rules for behavior and communications apply. The network is provided for students to conduct research and communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Parent permission is required and students who do not have such permission are responsible for not accessing the Internet at school. Access is a privilege, not a right.

Access entails responsibility. Individual users of the District computer networks are responsible for their behavior and communications over those networks. It is expected that users will comply with District standards and will honor the agreements they have signed. Network storage areas may be treated like school lockers. Network administrators may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on District servers will always be private. Within reason, freedom of speech and access to information will be honored. During school, teachers will guide students to appropriate materials.

The following are not permitted:
- Sending or displaying offensive messages or pictures
- Using obscene language
- Harassing, insulting or attacking others
- Violating copyright laws
- Using another's password
- Trespassing in another's folders, work or files
- Employing the network for commercial purposes
- Deliberate damage to hardware or software
- Use of District computers for illegal activities

Violations may result in a loss of access as well as other disciplinary or legal action.
